

# LBNL ISM

***Each employee is responsible for ensuring his or her own safety.***

## ISM Checklist

1. What will I be doing?
2. Do I know what the hazards are?
3. Do I have everything I need to do the job safely: training, tools, time and authorization?
4. Am I doing the job safely?
5. What can we do better?

---

Have a safety question?

Have an off-normal situation?

Contact your supervisor **and** Safety Coordinator
